Honorable Student of semester
Semester Summer23

Honorable Student of semester
Semester Fall23

Honorable Student of semester
Semester Spring24

ABOUT ME

I am a 4th-year student at FPT University HCM with hands-on experience in web development. I have worked on both group and personal projects, utilizing React.js for front-end and Node.js for back-end development. Additionally, I have experience in designing databases and setting up CI/CD pipelines using Azure. Currently, I am expanding my skill set by learning the Angular framework and C# programming.

TYPICAL PROJECTS

September 2024 - November 2024
Team Leader & Back-end Developer
